

Shoplifter's Support Group

For those who seriously want help to finally...

STOP SHOPLIFTING

Cleptomaniacs And Shoplifters Anonymous, LLC (CASA) is a unique, independent and secular weekly self-help group. It was founded in Detroit, MI in September 1992 by a recovering shoplifter who felt such a group could help himself, others, and the community as a whole.

CASA's purpose is to provide a safe, confidential and non-judgmental space for compassion, understanding and recovery from "addictive-compulsive" dishonest behavior, primarily shoplifting, fraud, kleptomania and embezzlement.

CASA's goal is to educate individuals in the group and the community at large about the complex motivations and recovery treatment process for these behaviors, while emphasizing personal responsibility and accountability. We have helped many and want to do more!
